Poly Pals

An Overview of the College of Engineering & MEP Mentoring Program

Cal Poly, SLO
CENG Advising Center & Multicultural Engineering Program
Poly Pals is a mentor program that links students from Civil/Environmental Engineering and the Multicultural Engineering Program with continuing students who act as their mentors.
Poly Pals

The Mission

- To increase the academic, extracurricular, social and professional success of new freshmen and transfer engineering students through the sharing of knowledge and personal experience by a peer mentor.

Click Here if you’re a first time freshmen or transfer student interested in knowing more about Poly Pals

Click here if you are a returning student interested in knowing more about Corporate Connections
What are the benefits to being a part of Poly Pals?

- Hearing from a student who has been in your shoes before
- Tips on expanding extracurricular involvement
- Boosting professional development skills
- Learning about careers and heightening professionalism
- Creating a consistent and reliable source of support
- Meet periodically with mentor during Fall
- Attend Meet ‘n Greet Sept. 26, 6-9pm
- Utilize mentor as a resource
- Learn from someone else’s experience at Cal Poly
- Be willing to seek out guidance from your mentor
- Be open and honest with your mentor
- Respond to mentor contacts (email/text/phone call)
