MAJOR SPECIFIC INFORMATION

Let’s Review The Following Documents

Transfer Flowchart

Curriculum Sheet

Suggested Courses

Major One Sheet
CURRICULUM SHEET

All curriculum sheets can be found at: http://flowcharts.calpoly.edu/mymap.php

Note: you will be following the 17-19 catalog!

Don’t Forget About

United States Cultural Pluralism (USCP) & Graduation Writing Requirement (GWR)
### Transfer Flowchart

**Cal Poly**

#### B.S. in Mechanical Engineering (Kinetics Concentration)

**Suggested 2-Year Academic Flowchart for Transfer Students**

For a 3-year flowchart option see: [https://eadvise.calpoly.edu/transfer-students/transfer-flowcharts/](https://eadvise.calpoly.edu/transfer-students/transfer-flowcharts/)

---

**Notes:**
- Transfer students need ME 328 and 332 and/or CME 322 and 323.
- \*Mechanical Design and Manufacturing Laboratory.
- \*Electrical and Computer Engineering Laboratory.
- \*Indicates course is required. Exceptions to this policy are possible through consultation with the department chair.
- \*The same course, credits, and hours as ME 318.
- \*Can be taken concurrently.

---

**Transfer Flowcharts** can be found at: [https://eadvise.calpoly.edu/transfer-students/transfer-flowcharts/](https://eadvise.calpoly.edu/transfer-students/transfer-flowcharts/)

---

**Assumes Completion of Everything on the Left**
Provides a List of Suggested Courses for Fall 2018 Registration

* Courses in red are required or strongly recommended in fall due to course availability or prerequisite sequencing

Fall 2018 suggested courses for each major can be found at:
https://advising.calpoly.edu/transfer-advising%E2%80%93ceng
Use this Major Specific One Sheet to Get Prepared for Fall Quarter

The one sheet information page for major can be found at: https://eadvise.calpoly.edu/transfer-students/transfer-student-major-specific-information/

Don't Forget! Look at Pre-Requisites When Planning Your Ideal Courses

Courses
- CS 157 - Introduction to Computer Science
- CS 162 - Problem Solving with Programming
- CS 164 - Data Structures
- CS 215 - Data Structures and Algorithms
- CS 240 - Computer Organization and Architecture
- CS 320 - Database Management Systems
- CS 340 - Operating Systems
- CS 360 - Computer Networks
- CS 380 - Computer Security

Pre-Requisites
- Math 150A - Linear Algebra
- Math 250A - Differential Equations
- Math 250B - Linear Algebra
- Math 251A - Advanced Calculus
- Math 251B - Advanced Calculus

Note: Please check the course catalog for any updates or changes.
ENGR 301 is a course designed to support transfer students in their search for internships, jobs, graduate school and other opportunities after graduation. In this course, you will develop your own professional identity and have the opportunity to explore ways to get involved in your community as an engineer.

NEXT STEPS!

REVIEW IN DETAIL:
https://advising.calpoly.edu/fall-transfer-advising

PLAN A STUDENT SCHEDULE (PASS)
Save schedules in PASS, so you are ready to send them to the Student Center
For demos on PASS see: https://registrar.calpoly.edu/class-schedule

WE’RE HERE TO HELP
Email (eadvise@calpoly.edu) us anytime this weekend if you have questions

REGISTER THIS MONDAY
August 13\textsuperscript{th} at 10:00 a.m.
For demos on registration see: https://registrar.calpoly.edu/student-center

CHECK FINAL SCHEDULE
After 1:00 p.m. on Monday, check your final schedule and waitlist positions
• Current Cal Poly transfer students serve as mentors
• Monthly meetings to discuss:
  • Cal Poly resources, activities, how to get involved
  • Cal Poly academics and how to get academic help
  • Connections to clubs, events, and social networks

• CENG partnered with Mentor Collective to match and provide training to mentors
• More information: https://welcome.mentorcollective.org/
• Link to register as mentee: https://calpoly.mentorcollective.org/register/calpoly-ceng/mentee
• Questions? Contact Ashlee Burt, one of our advisors: amburt@calpoly.edu
THANK YOU!
